

P07.61-2894-79

5	Air line	A1	Instrument cluster	M4/7	Electric suction fan engine and AC with integrated control
12	Intake manifold	A1e58	Engine diagnosis indicator lamp	M16/6	Throttle valve actuator
40	Fuel pressure damper	A16	Knock sensor	M16/7	Recirculated air flap actuator
45	Fuel filler neck	B2/5	Hot film mass air flow sensor	N2/7	Restraint systems control unit
50	Kompressor	B6/4	Left intake camshaft Hall sensor	N3/10	ME-SFI control unit
50/1	Pressure damper (charge air)	B6/7	Right exhaust camshaft Hall sensor	N10/2kA	Fuel pump relay module
55/1	Fuel filter with integrated diaphragm pressure regulator (* on models 171, 211 in fuel tank)	B11/4	Coolant temperature sensor	N15/3	ETC control unit (with AT)
71	Check valve (activated charcoal canister)	B17	Intake air temperature sensor	N15/5	Electronic selector lever module control unit (with AT)
72	Float valve (* except model 171)	B18	Altitude sensor	N22	AAC pushbutton control unit (automatic air conditioning)
75	Fuel tank	B28	Pressure sensor (intake manifold)	N47-5	ESP, SPS and BAS control unit
75/1	Expansion reservoir (* except model 171)	B37	Accelerator pedal sensor	N73	DI control unit
77	Activated charcoal canister	B40	Oil sensor (oil level, temperature and quality)	N80	Steering column module
110/2	Charge air cooler	G2	Alternator	R4	Spark plugs
121	Air filter	G3/1	O2 sensor downstream of TWC	S9/1	Stop lamp switch (* except model 171)
122	Suction damper (intake air)	G3/2	O2 sensor upstream of TWC	S40/3	Clutch pedal switch (with manual transmission)
126	Secondary air injection/ exhaust gas recirculation combination valve	L5	Crankshaft position sensor	S40/4	Cruise control pushbutton switch (with variable speed limit)
128	Check valve vacuum	L6/1	Left front rpm sensor		
157	Exhaust manifold with firewall catalytic converter	L6/2	Right front rpm sensor		
158	Underfloor catalytic converter	L6/3	Left rear rpm sensor		
		L6/4	Right rear rpm sensor		
		M3	Fuel pump (for model 171 fuel pump assembly)		
T1/1	Ignition coil cylinder 1	Y49/1	Intake camshaft solenoid	CAN B	databus body (Controller-Area-Network)
T1/2	Ignition coil cylinder 2	Y49/3	Exhaust camshaft solenoid	CAN C	databus engine (Controller-Area-Network)
T1/3	Ignition coil cylinder 3	Y58/1	Purge control valve		
T1/4	Ignition coil cylinder 4	Y62	Fuel injection valves		
Y32	Air pump switchover valve				
A	Fuel pipe				
B	Purge line
